

“Unemployment Insurance (UI) benefits are available to workers who are unemployed and who meet the requirements of state UI eligibility laws. You may file a UI claim in the first week that employment stops or work hours are reduced.

For assistance or more information about filing a UI claim or questions about the status of your UI claim once filed, visit [www.Unemployment.IN.gov](http://www.Unemployment.IN.gov). You will need to provide the state UI agency with the following information in order for the state to process your claim:

- A valid email account – your email address will become your Uplink Username.
- Driver’s license or valid ID, address, Social Security number, date of birth, and phone number.
- Last employer’s name, mailing address, phone number, dates of employment, and reason you are unemployed.
- Bank routing number and account number if choosing direct deposit as your payment option (NOTE: Key2Benefits prepaid MasterCard® is also available).”
